## ING Life Companies Offer Favorable Short Term International Travel Underwriting Guidelines

When the world is your clients' playground, we are here to offer U.S. citizens and permanent residents consistent, fair treatment for short term international travel. The ING Life Companies have significantly simplified our classifications and improved travel duration guidelines to make underwriting international travel easier and transparent for applicants.

For **short term travel**, applicants retain "travel from" jurisdiction classification, auto bind limit, and the best available rate. See the maps below for a representation of our current classifications. Keep in mind that circumstances may change, so please contact your ING Life Companies' representative for details on any specific country. Travel to:

- > **A+ / A: Up to 12 weeks/year**
- > **B+ / B: Up to 10 weeks/year**
- > **C: Up to 4 weeks/year**
- > **D: None**

**If you have any questions about international travel guidelines, please contact ING Life Sales Support at 866-ING-SELL (866-464-7355).**
